

# EXMD 511. JOINT VENTURING WITH INDUSTRY.

---

Credits: 3

Offered by: Medicine (Faculty of Science)

This course is not offered this catalogue year.

## Description

Using problem-based learning, the course examines the various business interactions between researchers and their business partners in support and development of research into commercial endeavours using models such as venture capital, business partnerships, or grants-in-aid.

- Winter
- Offered in conjunction with the Centre for Continuing Education

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
