

EXSU 622D1. SURGERY RESEARCH PROJECT 1.

Credits: 6

Offered by: Surgery (Graduate Studies)

This course is not offered this catalogue year.

Description

Immersion into a specific research area and completion of a project. Students will learn to develop a project and to demonstrate skills essential for analysis, evaluation and project management.

- Prerequisite(s): Permission of instructors.
- Students must also register for EXSU 622D2
- No credit will be given for this course unless both EXSU 622D1 and EXSU 622D2 are successfully completed in consecutive terms

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
