

EXSU 622N1. SURGERY RESEARCH PROJECT 1.

Credits: 6

Offered by: Surgery (Graduate Studies)

This course is not offered this catalogue year.

Description

Immersion into a specific research area and completion of a project. Students will learn to develop a project and to demonstrate skills essential for analysis, evaluation and project management.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
