

FACC 353. SUMMER UNDERGRADUATE RESEARCH EXPERIENCE 3.

Credits: 0

Offered by: Engineering - Dean's Office (Faculty of Engineering)

This course is not offered this catalogue year.

Description

Participation in the SURE (Summer Undergraduate Research in the Faculty of Engineering) experience, in which a student undertakes a 16-week traineeship within a research facility or laboratory in the Faculty, including the School of Architecture. Students work closely with academic researchers and graduate students on a specified project, and present the results of their research as part of the SURE poster session at the end of the summer.

- Prerequisite: FACC 352

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
