

# FMED 511. INTRODUCTION TO ART IN HEALTHCARE: MAKING ART ACCESSIBLE.

---

Credits: 1

Offered by: Family Medicine (Faculty of Medicine & Hlth Sci)

This course is not offered this catalogue year.

## Description

An introduction of topics related to art in healthcare and research using Open Studio Projects methodology, a replicable model used for exploring successful, sustainable, and creative interventions in healthcare settings. After this course, students will be able to use art as a tool for meaningful community engagement, healthcare delivery, and scholarly activity.

- Prerequisite(s): Permission of instructor if graduate student is outside the department
- Restriction(s): Open to graduate students in the Department of Family Medicine.
- Language of instruction: English

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
