

FMED 527. INUIT HEALTH IN CANADIAN CONTEXT.

Credits: 1

Offered by: Family Medicine (Faculty of Medicine & Hlth Sci)

Terms offered: Winter 2026

View offerings for Winter 2026 in Visual Schedule Builder.

Description

Exploration of the cultural roots of Inuit health prior to the arrival of Europeans; the risks to health introduced by imported disease and colonial institutions; the complexity of navigating modern health systems; and the paths to regain better health. Particular focus on the Nunavik region of Quebec.

- Restrictions: Open to students enrolled in a McGill University graduate program or permission of the instructor.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
