

# FMED 612. EVALUATION RESEARCH AND IMPLEMENTATION SCIENCE.

---

Credits: 1

Offered by: Family Medicine (Graduate Studies)

This course is not offered this catalogue year.

## Description

An introduction of how to critically appraise available evidence to become familiar with methods specific to intervention implementation and program evaluation in the context of family medicine practice with an opportunity to develop an evaluation protocol for a specific program that responds to the expectations of clinicians-managers in primary care.

- Prerequisite: Permission of instructor if graduate student is outside the department
- Restriction: Open to graduate students in the Department of Family Medicine
- Permission of instructor.
- Language of Instruction: English. Office hours: Tuesdays 12:00 to 2:00 pm.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
