

# FMT4 019. NUTRIENT MANAGEMENT PLAN (152-VSV-MC).

---

Credits: 2

Offered by: Farm Mgmt & Technology Program (Faculty of Agric Environ Sci)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

## Description

Objectives are to familiarize students with the environmental laws and regulations that oversee the development of a Nutrient Management Plan. Collect pertinent data for the realization of their own five year nutrient management plan, along with the nutrient management strategies selected to reduce the environmental impact of the agricultural activities of the farm.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
