Credits: 2.67

Offered by: Farm Mgmt & Technology Program (Faculty of Agric Environ Sci)

Terms Offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

Objectives are descriptions and analysis of the main profit components of the beef and sheep sectors. Emphases are placed on the following components: reproductive efficiency, nutritional requirements, labor efficiency, marketing options and herd health. Applications cover modern beef and sheep businesses in eastern Canada.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
