## Description

1 hour meetings & 7 hours independent work per week. Pre-requisites: FMT4-004 and FMT4-008 as well as at least one livestock management course (FMT4-028, FMT4-029, FMT4-030 or FMT4-031); students must also have a minimum cumulative weighted average of 80%. This course covers livestock production sectors not covered in Year 2 livestock management courses and requires independent study; the actual study plan will be determined case-by-case. Topics include industry benchmarks, nutrition, genetics, reproduction, economics of production and diseases. May also include farm visits, marketing strategies and developing a potential business plan, etc. Registration in the course is subject to approval by the Academic Advisor.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
