## Description

This two-term course uses a task-based approach to provide students with authentic materials related to Canadian culture and prepares them for real life communication. Therefore, class time will be mostly dedicated to the completion of communicative tasks which often rely on the use of technology (mobile apps, blogs and other online tools). This course tackles different topics that students can relate to in their personal, social and academic life, and provides a review and further training in elementary language structures to develop their communication skills and digital literacy in French.

- 3 hours, plus language laboratory
- Prerequisite(s): FRSL 101 and FRSL 102, or FRSL 103, or FRSL 104, or FRSL 105, or Placement test required.
- Restriction: Not open to students who have taken Grade 12 or 13 French in Canada, or equivalent
- Students must register for both FRSL 207D1 and FRSL 207D2.
- No credit will be given for this course unless both FRSL 207D1 and FRSL 207D2 are successfully completed in consecutive terms
- FRSL 207D1 and FRSL 207D2 together are equivalent to FRSL 207
