

# GEOG 493. HEALTH AND ENVIRONMENT IN AFRICA.

---

Credits: 3

Offered by: Geography (Faculty of Science)

This course is not offered this catalogue year.

## Description

Exploration of key diseases of development, as well as patterns and determinants of health and disease in East Africa. Topics will focus on population and environmental health.

- Prerequisite: GEOG 221, GEOG 303 or permission of instructor
- Restrictions: Not open to students who have taken GEOG 403.  
Open to students in the African Field Study Semester (AFSS) only.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
