

HGEN 640. SECOND YEAR PRACTICUM 1.

Credits: 3

Offered by: Human Genetics (Graduate Studies)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

This course aims to further develop the practical skills required for the contemporary practice of genetic counseling. Areas of skill development will include multiculturalism, counseling issues relevant to specific patient populations, and more advanced risk assessment, psychosocial counseling techniques and problem solving.

- Restriction: Restricted to students in the MSc. in Genetic Counselling program.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
