## Description

An investigation of the changing historical construction of "deviant" and "normal" sexualities in Britain since 1700, and how queer women and men discovered ways of surviving and perhaps even flourishing in the face of persecution and hostility from the state, the churches and the medical profession.

- Prerequisites: HIST 215 or a course in British History or permission of instructor.
- Restrictions: Not open to students who have taken HIST 426 in 200209.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
