View offerings for Summer 2025 or Winter 2026 or Summer 2026 in Visual Schedule Builder.

Description

Diagnostic reasoning skills (including problemformulation and differential diagnosis) and knowledge of clinical problems common to internal medicine. Performance of history and physical examinations on patients, submission of case reports that include relevant pathophysiology, and presentation of patient cases orally to tutors.

- Restriction(s): Open only to students in the M.D., C.M. program.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
