

INDS 224. COMMUNITY HEALTH ALLIANCE PROJECT - C.H.A.P..

Credits: 2

Offered by: Medicine and Health Sciences (Faculty of Medicine & Hlth Sci)

This course is not offered this catalogue year.

Description

Requires critical reflection on social diversity, determinants of health, and the rewards of community engagement. Students will be required to attend bi-monthly visits with a community group placement site. Based on these community placements and exposure during Fundamentals of Medicine and Dentistry, students will work together on a small group project during Transition to Clinical Practice.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
