

INFS 684. INFORMATION SECURITY MANAGEMENT.

Credits: 3

Offered by: Information Studies (Graduate Studies)

Terms offered: Summer 2025

[View offerings for Summer 2025 in Visual Schedule Builder.](#)

Description

An overview of information security management within an organization. Management of and response to information security threats, whether they be internal or external, discrete or persistent, non-destructive or catastrophic. Topics include information security policy and governance, risk and vulnerability detection, threat readiness, investigation, recovery, privacy and legislation. Includes a capstone project.

- Prerequisite: INFS 680, INFS 681, INFS 682 and INFS 683

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
