Description

The emergence and development of the Ottoman Empire from its beginnings around 1300 until the Tanzimat Edict of Reform in 1839. A trajectory of Ottoman history from a small principality to a centralized empire, then to a decentralized governmental structure. In addition to chronological developments, questions of imperial ideology and the management of ethnically and religiously diverse communities across a vast territory. Exploration of the place of the Ottomans in the early modern world, and their ideological and diplomatic rivalry with other major empires.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
