

ITAL 199. FYS: ITALY'S LITERATURE IN CONTEXT.

Credits: 3

Offered by: Languages,Literatures,Cultures (Faculty of Arts)

This course is not offered this catalogue year.

Description

The purpose of this seminar is to re-visit, problematically, the commonsense notion that literature "reflects" reality (or society). Classics of twentieth-century Italian writing shall be analyzed as the response of that nation's literary imagination to the contradictions of its turbulent political and social history.
