

LING 411. STRUCTURE OF AN INDIGENOUS LANGUAGE.

Credits: 3

Offered by: Linguistics (Faculty of Arts)

Terms offered: Winter 2026

[View offerings for Winter 2026 in Visual Schedule Builder.](#)

Description

Investigates linguistic and grammatical properties in an Indigenous language or language family of North America. Topics covered include: phonetics, phonology, morphology, syntax, and semantics; historical and comparative research; as well as topics at the intersection of language and culture. The course engages with primary literature on the language of study.

- Prerequisites: LING 331 and LING 371 or permission of instructor.
- The language or language family of study will vary from year to year.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
