## Description

Students with a background in some core area(s) of linguistics will learn how to test linguistic theories in the lab. The focus is on learning by doing: Students will design and carry out their own experiments, and will learn some basic statistics to evaluate them.

- Winter
- Prerequisites: LING 201 and either LING 330 or LING 331, or permission of instructor.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
