

LLCU 230. ENVIRONMENTAL IMAGINATIONS.

Credits: 3

Offered by: Languages,Literatures,Cultures (Faculty of Arts)

This course is not offered this catalogue year.

Description

This course will provide a cultural framework for examining representations of environmental issues in literary texts and films. The emphasis will be on the ways issues such as global warming, ozone depletion, and extreme weather patterns are imagined in specific cultural productions.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
