

LLCU 498. DIGITAL PROJECT.

Credits: 3

Offered by: Languages,Literatures,Cultures (Faculty of Arts)

This course is not offered this catalogue year.

Description

Students will pursue digital projects through group instruction and individual supervision. Emphasis will be placed on effective project planning, appropriate research, theoretical framing, and effective communication. Students will be expected to present their work at an open symposium event at the end of term.

- Permission of instructor need for registration.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
