Credits: 6

Offered by: Mechanical Engineering (Graduate Studies)

Terms offered: Winter 2026

View offerings for Winter 2026 in Visual Schedule Builder.

Description

A project on aerospace topic.

- An alternative course for MECH 688 Industrial Stage, that may be permitted by the Department, when no stage is available.
- An evaluation of the candidate's performance during the period of the project becomes part of the student's record.
- Restriction: Open to students in the Aeronautical Option only, with permission of the Department.
- Restriction: Not open to students who have taken MECH 682.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
