Description

This course aims to provide students a comprehensive understanding of the process of internationalization as well as managing an enterprise/organization in an international setting. Students will participate in an organized study trip outside of Canada, to a city with significant international business.

- Open only to M.B.A. students.
- Note: A fee of \$3,000.00 is charged. You will have the opportunity to visit multiple companies, meet with senior executives, and truly experience business in an international country. Learning through on-site company visits, meetings with senior executives, classroom settings, workshops and seminars. Experiential learning takes place in classes located in foreign destinations and includes presentations, group projects and field surveys. This a requirement for graduation.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
