## Description

An examination of emerging technologies and their impact on decision-making, coordination, control, and innovation in management. Broader societal implications of these technologies and how to develop strategic responses. Focus on an experiential consulting project.

- Restrictions: Open to U2 and U3 students. Not open to students who have taken MGPO 434 when the topic was "Emerging Technologies: Organizing and Societal Stakes".

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
