

# MGPO 651. STRATEGIC MANAGEMENT: DEVELOPING COUNTRIES.

---

Credits: 3

Offered by: Management (Graduate Studies)

This course is not offered this catalogue year.

## Description

The course examines strategic management challenges in developing countries using lectures and discussion of readings and cases.

Topics include economic policy management (national development strategies, structural adjustment, privatization), economic cost/benefit analysis, technology choice and transfer, negotiations between multinational firms and host governments, and strategic management for public enterprise, family-owned firms, economic groups, and developmental organizations.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
