

MGSC 611. OPERATIONS INDUSTRIAL STAGE.

Credits: 9

Offered by: Management (Graduate Studies)

This course is not offered this catalogue year.

Description

The stage is to be completed under the supervision of an experienced engineer in the facilities of a participating/host company. The stage consists of a project that requires the approval of the host company and the course instructor.

- Restriction: Only open to students in the Master of Management in Manufacturing Management; Non-Thesis program.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
