

MGSC 711. PUBLIC SECTOR OPERATIONS MANAGEMENT.

Credits: 3

Offered by: Management (Graduate Studies)

This course is not offered this catalogue year.

Description

Governments around the globe are primarily responsible for providing national defense, civil order and justice within their jurisdiction. Albeit in varying degrees, governments are also actively involved in the provision of crucial services, including education, healthcare, utilities and transportation. The course will focus on the use of quantitative techniques to assist with policy making in the areas of (i) environmental risk, (ii) sustainable operations and (iii) public safety.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
