Offered by: Management (Graduate Studies)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

Main tools and analytical techniques that are available to managers to analyze the environment and how the firm evolves in different contexts. It presents an overview of different analytical approaches. Topics include economics, statistics, financial and accounting analysis, as well as tools to analyze operations.

- Restriction(s): EMBA students only
- This course contains 52 hours of contact time.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
