

MIME 484. MINING PROJECT.

Credits: 3

Offered by: Mining & Materials Engineering (Faculty of Engineering)

Terms offered: Summer 2025

[View offerings for Summer 2025 in Visual Schedule Builder.](#)

Description

A mining research project to be completed during one semester. The project must be approved by an academic advisor. A comprehensive report and a seminar presentation are required for the project.

- This course in the Faculty of Engineering is open only to McGill students.
- Corequisites: MIME 419, MIME 426
- (0-0-9)
- Prerequisite(s): 85 credits completed (non-CEGEP students) or 60 credits completed (students from a CEGEP background).

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
