

MIME 601. ENGINEERING LABORATORY PRACTICE.

Credits: 0

Offered by: Mining & Materials Engineering (Graduate Studies)

Terms offered: Fall 2025, Winter 2026

View offerings for Fall 2025 or Winter 2026 in Visual Schedule Builder.

Description

The basics of laboratory safety in mining and materials engineering laboratories. Mandatory safety orientation (administration, contacts, fire, waste, emergency procedures) and official WHMIS training.

- Restriction(s): Restricted to mining and materials engineering graduate students.
- 1. For Masters' students the course must be completed by the end of the first year of the student's enrollment in a Masters' degree program. Likewise, for Doctoral students the course must be completed by the end of the first year of the student's enrollment in a Doctoral degree program.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
