

MIMM 497. IMMUNOLOGY ADVANCED RESEARCH PROJECT.

Credits: 6

Offered by: Microbiology & Immunology (Faculty of Science)

This course is not offered this catalogue year.

Description

This two-semester course is intended for undergraduate Science students who want a rigorous research experience beyond that of a one semester course (MIMM 396/397) and who are unlikely to take the Honours Research Project course (MIMM 501/502).

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
