

MIMM 497D1. IMMUNOLOGY ADVANCED RESEARCH PROJECT.

Credits: 3

Offered by: Microbiology & Immunology (Faculty of Science)

This course is not offered this catalogue year.

Description

This two-semester course is intended for undergraduate Science students who want a rigorous research experience beyond that of a one semester course (MIMM 396/397) and who are unlikely to take the Honours Research Project course (MIMM 501/502).

- Students must register for both MIMM 497D1 and MIMM 497D2
- No credit will be given for this course unless both MIMM 497D1 and MIMM 497D2 are successfully completed in consecutive terms
- Prerequisites: MIMM 212, MIMM 384, MIMM 385

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
