

MIMM 614. CURRENT TOPICS 2.

Credits: 3

Offered by: Microbiology & Immunology (Graduate Studies)

This course is not offered this catalogue year.

Description

Graduate students are required to attend eight scientific seminars each term, for three terms. A minimum of four seminars should be attended from the Infection and Immunity Seminar Series offered by the Department of Microbiology and Immunology. A maximum of four life sciences-related seminars presented by principal investigators can be attended at McGill University or its affiliated centers (MUHC, LDI, IRCM).

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
