

MUGT 205. PSYCHOLOGY OF MUSIC.

Credits: 3

Offered by: Music Research (Schulich School of Music)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

Introduction to the discipline of psychology of music. Topics include: musical development across the life course; the development of musical expertise; emotional responses to music; musical identity; music perception and cognition; and the link between music, health and wellbeing.

- This is an inquiry-based course, offered in a blended format combining in person and online (synchronous and asynchronous) activities.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
