## Description

Training in keyboard skills required for research, score study, professional presentations, and teaching: figured bass realization, melody harmonization, transposition, score reading, improvisation, and performance for dictation, taught through group meetings and weekly practical assignments.

- Enrolment preference will be given to students enrolled in graduate programs in music theory and conducting.
- Restriction(s): By permission of the instructor.
- Students must register for both MUSP 500D1 and MUSP 500D2.
- No credit will be given for this course unless both MUSP 500D1 and MUSP 500D2 are successfully completed in consecutive terms.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
