

MUSR 692. MUSIC PRODUCTION WORKSHOP.

Credits: 3

Offered by: Music Research (Graduate Studies)

This course is not offered this catalogue year.

Description

The Seminar aims at giving Music Performance and Sound Recording students the tools to becoming better recording artists, performers and recording engineers in today's music scene. It will help them acquire skills and abilities as well as develop an informed judgement about recorded music performances and the recorded sound.

- 3 hours.
- Restriction(s): This seminar is open to second year masters and doctoral Sound Recording students, master's and doctoral Performance and Graduate Artist Diploma students only.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
