

MUTH 100. MUSIC THEORY FUNDAMENTALS.

Credits: 3

Offered by: Music Research (Schulich School of Music)

This course is not offered this catalogue year.

Description

Basic training in music theory fundamentals. Topics include interval identification (both visual and aural), clef reading, chord recognition, melodic and rhythmic dictation, scales, and key signatures.

- The course is offered as a simultaneous corequisite to MUTH 150 (Theory and Analysis I) for students without the required music theory background. Enrolment in MUTH 100 is based on performance on the placement test for incoming undergraduates.
- Prerequisite: Theory placement test for Schulich School of Music undergraduates.
- Corequisite: MUTH 150

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
