

# NEUR 697N1. MASTER'S THESIS PROPOSAL.

---

Credits: 4.5

Offered by: Neurology and Neurosurgery (Graduate Studies)

This course is not offered this catalogue year.

## Description

Presentation of a written thesis proposal by the end of the first year in the program. This document stating the hypothesis being tested, relevant literature and methodology will be orally presented to the student's Advisory Committee which will also review the written proposal and communicate its recommendations to the student and the Graduate Studies Committee.

- Students must also register for NEUR 697N2
- No credit will be given for this course unless both NEUR 697N1 and NEUR 697N2 are successfully completed in a twelve month period
- NEUR 697N1 and NEUR 697N2 together are equivalent to NEUR 697

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
