Offered by: Ingram School of Nursing (Ingram School of Nursing)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

## Description

In this course students will explore the development of adults and their families to identify biological, psychological, and sociocultural perspectives of aging using a strength-based nursing framework. In this foundational inquiry based learning course students will work in groups and independently, evaluating and applying research to build upon existing knowledge and explore health and illness situations.

- Prerequisites or corequisites: NUR1 209 & NUR1 222
- Corequisite(s): NUR1 230, NUR1 234, and NUR1 235

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
