Description

This laboratory course addresses a range of clinical skills that support health and healing capacities in adults.

- Co-requisites: NUR1 224, NUR1 234, NUR1 235
- Pre/co-requisites: NUR1 209, NUR1 222
- A nominal fee of \$27.51 is charged to all nursing students who register in courses where clinical skills are taught to students in the Nursing Learning Laboratory. The fee is for clinical skills kits that students will use during their training in the Nursing Learning Laboratory. The kits also contain additional materials for students to take with them after the training to allow them to practice the skills they learn on their own.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
