

# NUR1 322. CHRONIC ILLNESS AND PALLIATIVE CARE.

---

Credits: 3

Offered by: Ingram School of Nursing (Ingram School of Nursing)

This course is not offered this catalogue year.

## Description

The biological, psychological and social factors which influence living with chronic illness are examined. Empirical findings linking different chronic stressors to coping responses and to health outcomes are reviewed. Issues in palliative care, the care of the dying, and the nature of bereavement are reviewed.

- Prerequisite(s): NUR1 331 or NUR1 319
- Co-requisite(s): IPEA 502

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
