Credits: 4

Offered by: Ingram School of Nursing (Ingram School of Nursing)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

In this course students will explore how biological, psychological and sociocultural factors influence living with acute, chronic and palliative health conditions using a strength- based nursing framework. Students will apply evidence informed approaches to nursing persons and their families in selected health situations. This inquiry based learning course will build upon NUR1 225.

- Prerequisite: NUR1 225
- Corequisites: NUR1 323, NUR1 332, NUR1 336

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
