

NUR1 329. SKIN INTEGRITY AND WOUND CARE.

Credits: 3

Offered by: Ingram School of Nursing (Ingram School of Nursing)

This course is not offered this catalogue year.

Description

This course will focus on teaching the principles of assessment and evidence-informed management of chronic and acute wounds in the clinical and community setting. Pressure ulcers, venous leg ulcers, wound infections, debridement, wound care products, compression and other types of chronic wounds will be covered along with appropriate treatment options, the expanded professional and legal scope practice and the role of the multidisciplinary team in managing complex wound care and patient and family teaching and education strategies to support health and healing.

- Corequisite(s): NUR1 323
- Prerequisite(s): NUR1 209, NUR1 210, and (NUR1 331 or NUR1 434 or NUR1 435)

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
