View offerings for Summer 2025 or Fall 2025 or Winter 2026 in Visual Schedule Builder.

## Description

In this clinical course, students will apply the guiding principles and values of primary health care through the application of the community health nursing process using capacity building and strength based approach in partnership with individuals, families and groups within the health care system leading to enhanced competencies in prevention, health protection, maintenance, restoration and palliation.

- Prerequisite(s) for B.Sc.(Nursing) students: NUR1 326 and NUR1 332.
- Prerequisite(s): for B.N. (Integrated) students: NUR1 327.
- \*\*In order to secure placement in clinical courses and internships, the add/drop is March 28th which is before the start of the course, and withdrawal is May 2nd which is the first day of class.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
