Offered by: Ingram School of Nursing (Ingram School of Nursing)

Terms offered: Summer 2025, Fall 2025

View offerings for Summer 2025 or Fall 2025 in [Visual Schedule Builder](#).

## Description

Advancing nursing practice through clinical and research activities. Hospital-based studies involve planning and providing direct patient care; one-to-one discussions with their clinical teacher/preceptor; peer discussions; and clinical rounds, with the goal of enhancing the breadth and depth of critical thinking and clinical decision-making.

- \*Although this course officially starts on May 4th, there will be an intro session on May 3rd.
- Prerequisite(s): NUR1 320, NUR1 327 and NUR1 339
- Restrictions: Not open to students who have taken NUR1 334.
- Only open to B.N. (Integrated) students
- \*\*Due to the length of the clinical course, add/drop is the eleventh lecture day and withdrawal is the fifteenth lecture day.
- \*\*In order to secure placement in clinical courses and internships, the add/drop is March 28th which is before the start of the course, and withdrawal is May 1st which is the first day of class.

Most students use [Visual Schedule Builder \(VSB\)](#) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
