

# NUR2 511. PRACTICE OF NURSING 2.

---

Credits: 3

Offered by: Ingram School of Nursing (Ingram School of Nursing)

This course is not offered this catalogue year.

## Description

An exploration of how families cope with the transition of expected and unexpected life events with a focus on the essential qualities of the nursing therapeutic relationship and the impact it has on individual/family outcomes, including strength-based nursing care. Integration of family-centered, health-centered and collaborative care. Nurses' strengths of mindset, knowledge and knowing, relationships and advocacy. Values, beliefs and attitudes in relation to parenting, breast-feeding, role acquisition and mental health.

- Corequisite(s): NUR2 514 and NUR2 518
- Restriction(s): Not open to students who have taken NUR2 511D2.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
