

# NUR2 515. APPLIED STATISTICS FOR NURSING.

---

Credits: 3

Offered by: Ingram School of Nursing (Ingram School of Nursing)

This course is not offered this catalogue year.

## Description

Principles of data analysis and statistical inference with an emphasis on the utilization and interpretation of analysis of variance and regression procedures in nursing research. An additional emphasis will be on critiquing data analysis in current nursing research articles.

- Prerequisite(s): PSYC 204 or Undergraduate Introductory-Level Statistics Course

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
