Description

This laboratory course addresses a range of clinical skills that support health and healing capacities in adults and newborns.

- Corequisite(s): NUR2 511, NUR2 514 and IPEA 501
- Restriction: Not open to students who have taken NUR2 514 prior to 201909.
- A nominal fee of \$29.77 is charged to all nursing students who register in courses where clinical skills are taught to students in the Nursing Learning Laboratory. The fee is for clinical skills kits that students will use during their training in the Nursing Learning Laboratory. The kits also contain additional materials for students to take with them after the training to allow them to practice the skills they learn on their own.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
